Appointment of a permanent Vaccinator for Jamkew Town Municipality

---

From

The Dy Commr, Jamkew Dt

No A 6 C 2153/46 (4) dated 6 6 47

Requests Sanction to the appointment of a permanent Vaccinator for the Jamkew Town Municipality as Resolved by the Local Municipal Council at its meeting held on 30-4-47

---

1) It is Stated that the Vaccination Work in Jamkew Town is now being attended by the Sanitary Inspectors. In View of the growing importance of the Town the Sanitary Inspectors (Two) are Stated to be not in a position to devote adequate attention to the Vaccination Work in the midst of their other varied legitimate duties, necessitating the appointment of temporary Vaccinators for fixed periods

2) The Municipal Council, to obviate this difficulty, has Resolved on 30-4-47 to appoint a permanent Vaccinator Sanitary Inspector

Subject:- Appointment of a permanent vaccinator in Tumkur Town Municipality

--

Sir,

In forwarding herewith the letter No H C 116/46-47 dated 6-5-47 on the above subject received from the President, Town Municipal Council, Tumkur, I have the honor to state that the Town Municipal Council, Tumkur have resolved on 30-4-1947 to appoint a permanent vaccinator on grade Rs 20-1-30 The vaccination in Tumkur Town is being attended to either by the Sanitary Inspectors or by the Vaccinator appointed temporarily for fixed periods But generally that duty devolves upon the Assistant Sanitary Inspectors who has also to attend to the sanitation of the town The President states that with a view to give greater attention to the sanitation of this growing town, the Sanitary Inspectors should be relieved of other duties He has also reported that the services of a wholetame vaccinator is necessary so that the vaccination work is attended to systematically

I therefore request you kindly to obtain sanction of Government to the resolution of the Council in the matter Necessary provision will be made in the budget for the ensuing year to meet this extra charge

Subject — Appointment of a Vaccinator to the Tumkur Town Municipality

---

I have the honour to state that there is no separate Vaccinator in this Municipality and the vaccination work is being attended by the Asst Sanitary Inspector in addition to his legitimate sanitation work There are two Sanitary Inspectors (one Senior and one Junior) working in this Municipality and the sanitation work has been equally divided between the two by making the towns into two divisions

As it is a growing Head quarter Town Municipality, the sanitation work is increasing day by day and it is very difficult to manage both the sanitation and vaccination work by single individual

The vaccination work is not properly attended to Every now and then temporary vaccinator is being entertained As such the Council thought it better to appoint or permanent vaccinator to attend only to the vaccination work and registration of births and deaths and relieve the Asst Sanitary Inspector from the same

The question was also placed before the Municipal Council, who at their meeting held on 30-4-47, have resolved that a full time permanent vaccinator on pay of Rs 20-1-30 plus 5 C A. with usual D A be appointed

A copy of the resolution of the Municipal Council, is herein enclosed for favour of kind perusal

Necessary provision has been made in the Budget of the next year

I therefore request that early sanction of Government may kindly be obtained to the same

The favour of an early compliance is requested

With reference to your letter No. I 3303 dated 28-9-1948 stating that the Municipal Council want only a vaccinator and not a Jr Health Inspector and is agreeable to pay him the revised scale of Rs 40-2-50/EB-3-80 and requesting to post a trained vaccinator to the Tumkur Town Municipality if necessary by advertising for one and intimate whether one can be posted accordingly, I have the honour to state that the revised scale of pay of the vaccinators is not yet sanctioned by Government Further the scale proposed by this Department is 35-2-55 and not 40-2-50/EB 3-80 All the trained candidates have been appointed and no spare candidate is available for posting If the post is to be advertised, the scale pay to be mentioned is only 20-1-30 and not more When the Municipality is agreeable to pay the scale pay of Rs.40-2-50-3-80 to a vaccinator, it may as well agree to pay Rs 45-3-90 to a Junior Health Inspector who will ~~also~~ look after the sanitation of the Municipality besides attending to vaccination work.

I request that you may kindly intimate the Municipality convincing them of the usefulness of having a junior Health Inspector in place of a vaccinator at the ~~xxx~~ small extra cost Further I write to state that arrangements are being made for starting a Vaccinators' Training Class After the training is over it will be possible to post a candidate to Tumkur town

With reference to the correspondence ending with your letter No ltc dated 2-9-68 on the above subject, I am directed to state that a ~~number of~~ references have been made to the Dy H from the ~~Office~~ requesting him to post a trained vaccinator to the Tumkur Town Mlg, ~~but~~ the Dy H ~~States~~ replies that trained vaccinators are not available and that it is more useful to ~~appoint~~ have a Junior ~~Health Inspector~~ Health Inspector in the Municipality instead of a vaccinator on a scale of pay Rs 45-3-90, when the Mlty is ready to pay 40-2-50 EB 3-50 to a vaccinator. It can at very little ~~as well pay~~ extra cost and a great deal of advantage ~~Rs 45-3-90 and~~ appoint a Junior Health Inspector on Rs 45-3-90 ~~It is for this~~

Stated that the revision of Scale of pay of the vaccinators has not yet approved and the old scale is only Rs 20-1-30 for which the trained candidates are not forthcoming

It is however ascertained that arrangements are being made for starting a Vaccination Training Class in which the Class is started and when it is over it will be possible to arrange for the posting of a Vaccinator

In the circumstances explained by the Chief Health Officer, I am to request that the Municipal Council may be pleased to reconsider the question of appointing a Junior Health Inspector instead for vaccinator and the opinion may be intimated early

SUB Appointment of a permanent Vaccinator in Tumkur Town Municipality

---

Sir,

With reference to the correspondence ending with your letter No H C 20/48-49 dated 2nd September 1948 on the above subject, I am directed to state that a reference was again made to the Director of Public Health requesting him to post a trained Vaccinator to the Tumkur Town Municipality The Director of Public Health has replied again that trained Vaccinators are not available and that it is more useful to have a junior Health Inspector in the Municipality on the revised scale of pay of Rs 45-3-90 instead of a Vaccinator When the Municipality is ready to pay Rs 40-2-50 EB 3-80 to a Vaccinator, it can at very little extra cost and a great deal of advantage appoint a Junior Health Inspector on Rs 45-3-90

In the circumstances explained, I am to suggest that the Municipal Council may reconsider the question of appointing a Junior Health Inspector or instead of a Vaccinator

It is reported that the services of Vaccinators are not readily available at present and that they could be had only after the Vaccinators' classes are started and the training is over

Yours faithfully,

Revenue Secretary to Government
